Transmittal Of Supplemental Information Disclosure Statement

37 CFR 1.97(b)

Sir:

In accordance with 37 CFR 1.56, the references listed on the attached Information Disclosure Statement by Applicant are being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified patent application. The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made or an admission that the information cited herein is or is considered to be material to patentability, or that no other material information exists. The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. As required under 37 C.F.R. 1.98(a)(2) a copy of each U.S. patent, publication, application or other information submitted for consideration is enclosed.

☒ An International Search Report in connection with the corresponding PCT application has been received. A copy is enclosed.

The Information Disclosure Statement submitted herewith is being filed within three months of the filing date of the application or date of entry into the national stage of an international application or before the mailing date of a first Office Action on the merits, whichever event occurs last.

Respectfully submitted,

A handwritten signature in cursive script, reading "Mark L. Davis", is written over a horizontal line.
